Our version of a two step.

Drill Sergeant Thomas

Our #1 fan.

This season saw Mr. Larson in his first year as head football coach. We had players from Flaxton as well as Columbus join our team. Although the players had trouble with injuries at the beginning, it didn't stop them from trying. This year's record says nothing of the experience that was gained by all and which will eventually pay off. Of course we can't forget the team's traditional stop at Hardees!

DISTRICT 26 CHAMPS

This year's team went into the season with high hopes and high goals. With long hours of practice and hard work came the Oil Basin Conference Title, 1st place in the District 26 Tourney, and the opportunity to play in the Minot State Dome. Although the season ended short of some expectations, it will remain in the memories of players and fans for a long time.

Our 1984 Prom turned out to be one disaster after another. On Friday, April 27 (the original date of prom) the weather decided not to cooperate. School was cancelled due to the blizzard and so was prom, unfortunately. While the decorated gym was waiting and everyone's flowers wilted, we rescheduled the prom for the following Monday night. A different band was hired since the original one couldn't make it that night. At least somebody was happy with the snow!

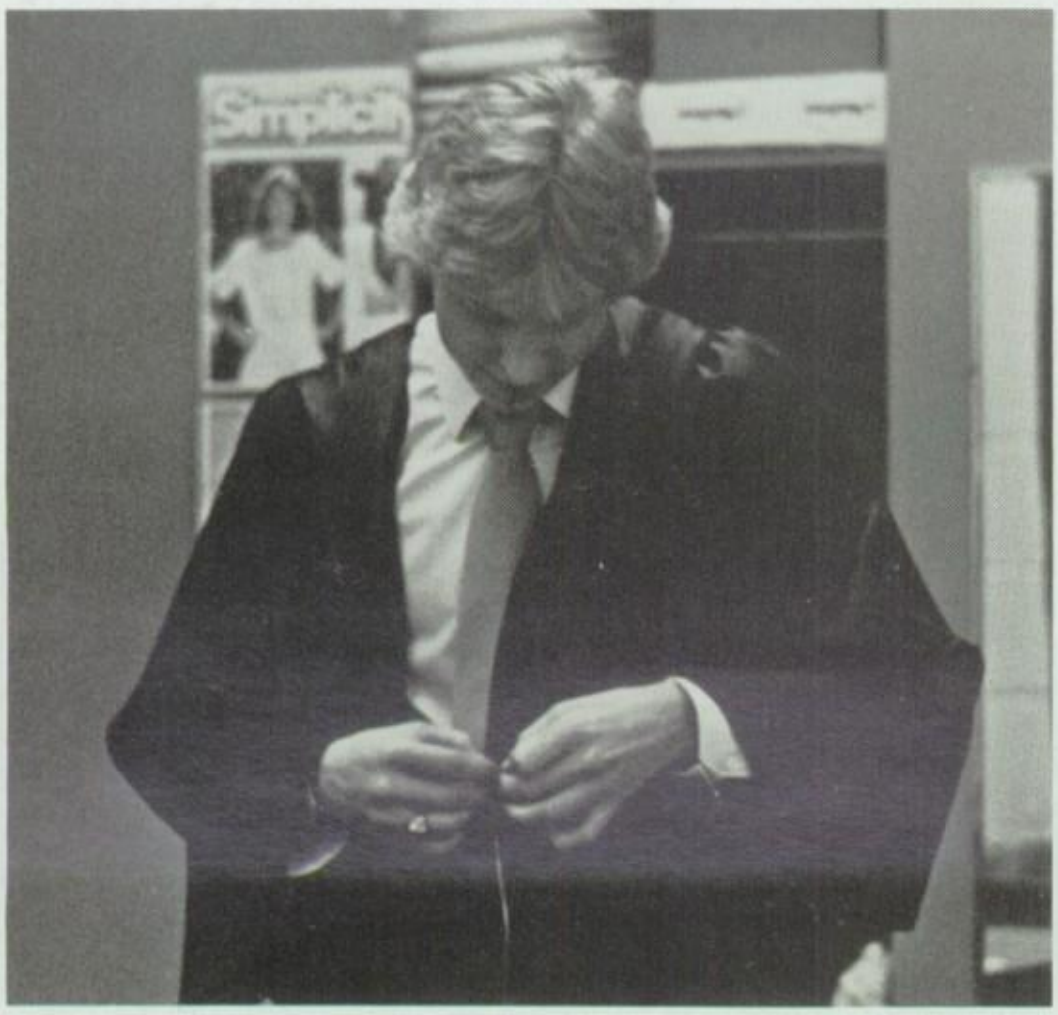
GRADUATION

MOTTO:
The dawn has brought us this far; where will the sunset find us?

SPEAKER:
Gary Dahlberg



Single file and yet together,
We have shared out greatest days.
And we carry common memories
In different ways.
Though we don't know where we're
going,
We will cherish where we've been.

I want to cry.
I want to shout . . .
Want to let this feeling out.

Hold on to the moment.
Let the feelings show.
Hold on to the moment.
Never let it go.

I can picture us together
With my arms around my friends.
Just let me hold on to this moment,
Before it ends.
There was laughter. There were tears,
Through the dozen golden years.
